

Declaration of accessibility

TendersNext is committed to ensuring digital accessibility for people with disabilities. We continuously improve usability for all and apply the appropriate accessibility standards (WCAG 2.2 and the EN 301 549 standard). This Digital Accessibility Statement applies to the TendersNext website published at <https://tendersnext.com/>.

Status of compatibility with the requirements

The website is currently not fully compliant with the technical requirements of the Web Content Accessibility Guidelines (WCAG) 2.2. This declaration on digital accessibility applies to the TendersNext website published under <https://tendersnext.com/>.

Non-accessible content

The following content is not accessible because it is not compatible with the underlying harmonized standard EN 301 549:

- On one page, the contrast between the text and the background is too low. | WCAG: 1.4.3

This declaration was created on 08.04.2025. The declaration was created using the Eye-Able® technology of Web Inclusion GmbH. More information about Web Inclusion GmbH can be found at <https://eye-able.com/en>. Web Inclusion GmbH has gone through all machine-verifiable test steps.

Feedback and contact details

Do you have a comment or a note about barriers on this website? Please get in touch with us. We will explain which barriers exist. You can find out what exceptions we have made. We will answer your questions as quickly as possible, but at the latest within the statutory period of six weeks. Thank you for your feedback. You can contact us at the following address:
